

English Task!

Hello to all of Pippin. You have been doing some amazing pieces of work and showed us your wonderful writing skills. This week we have decided to set you a fun writing challenge! Below there are a series of pictures you can choose one and we would like you to write some fantastic descriptions about the character, don't forget to describe what they are like as well as what they look like. You can be as creative as you like. Start by looking at the picture, discuss it with an adult, what you like and don't like about it. Try and use adjectives, similes and extended noun phrases.

We look forward to reading your wonderful descriptions.

Imagine you are the alien, write a list of questions he/she might ask an earthling

create a thought bubble for your alien the first time he sees a human
