

English Task

Hello to all our Discovery class learning at home. This week I have a challenge for you which is to create your own character profile. Can you draw me a picture of a character that you would like to write a story about? Then I would like you to label your character and perhaps write some sentences telling me all about them. Have they got super powers? Are they human? You can be as imaginative as you like! I can't wait to see what characters you create! Below is an outline to help you if you need it. Ready, steady, let's get drawing!
