Hello Discovery! This is your last week of home learning before to begin the summer holidays! Hooray! Well done on all the hard work you have been doing, we are so proud of each and every one of you! This week I'd like you to write about and draw a picture of your favourite day during this time that you have spent at home. It might be a really exciting walk in the woods, you might have had a day in the paddling pool, or made something amazing! Either way, I'd love to hear about it.

Please remember your capital letters and full stops and try to sound out words that you are not sure on how to spell. If you're struggling to think of a particular event, why not make one up! What would your idea of a perfect day look like? I hope you all have a wonderful summer break and can't wait to see you all in September.
