

Us again,

Hope everyone is still happy and safe, it seems like a very long time ago we were all in class dressed up for world book day. Hopefully it won't be too long before we are all back in school together! Both Mrs Hamm and myself are now back into work full time looking after the children that are back in school, but please do not think we are not here to help as much as possible! Even though less tasks may be put on google classroom, we will both still be checking it to see if you guys have any issues!

As before, on the website we have set you lots of different worksheets. This will mean, again, there may be a few things you guys either haven't yet covered, or haven't covered in a long time. **DO NOT PANIC!** All we both want you to do is try your hardest and do what you can!!

Things will be added on here this half term so please keep checking. Keep up all those other things you've been doing (timestable rockstars and accelerated reader). Also keep doing the baking, drawing and painting. Keep up with diary entries of what you guys have been up too! Please don't for one second think we do not want to keep seeing you doing all those things!

Keep going Bramley! Stay safe and you know where we are if you need any help!

Mr M and Mrs Hamm
