

## Tricky word task!

Hello Discovery! This week we are focusing on our 'tricky words', can you remember our tricky word song? We sang it in class a lot before we started our home learning and I'm hoping you might sing it beautifully for someone at home to show how well you know them. I do also have a challenge for you, I know how much you all love books and was wondering if you could be a detective for me and find all those tricky words in one of your reading books, I wonder how many you can find? Maybe you could record them by writing them down? Or write a story of your own with those words in it, we'd love to see what you have written. It's time to put your detective hats on and use your looking eyes to find as many tricky words as you can, ready, steady, go!
